

Hi Mr. Dubnik,

I just wanted to write and give my thanks to you for the gift of the textbooks to my Intro to Loss Investigation course at Madison College in Madison Wisconsin.

I'm currently working in the insurance industry already so this class will not only help me grow as a student, but also as a young professional.

Thank you again,

Kevalin Zell

Dear Harry L. Dubnick:

With the increasing in costs to obtain a degree it is very kind of you to donate the money for the textbooks for my insurance and risk management class. With my graduation coming up always in the back of my mind is the cost of the education and this can be very daunting. In the world that we live in it is necessary to have a college degree to obtain a good job and have the ability to live a comfortable life. This kind gesture inspires me to be able to do the same for young adults after I obtain my degree. In the harsh world that we live in we need more kind people like yourself. Thank you once again for the textbook.

Sincerely,

John David
